Forecast For Wales
Issued by Met Office Exeter
at 0400 on Thursday 11 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Brighter conditions with showers, although windy with significant gales.

Today:
Heavy morning showers in the north ease to leave a bright day with frequent showers. Downpours gusty and occasionally heavy with risk of hail. Strong winds and risk of coastal gales, easing later. Maximum temperature 9 deg C (48 deg F).

Tonight:
Further showers throughout the period, but easing in the later evening. Turning cloudy and showery again in the small hours, with heavy and widespread downpours. Winds remain strong. Minimum temperature 4 deg C (39 deg F).

Friday:
Wet and windy. Persistent showers throughout, most intense and frequent in the morning and evening, with some brighter and drier condition in the afternoon. Windy, with coastal gales developing later. Maximum temperature 9 deg C (48 deg F).

Outlook for Saturday to Monday:
Blustery showers and sunny spells on the weekend, with risk of hail. Winds remain strong, with gales and severe gales along coasts Saturday, easing Sunday. Cloudy with rain on Monday.
